

**Meeting Minutes of the 2019 2nd Meeting of Open Data Advisory Group,  
Ministry of Finance**

**I. Time: 2019/12/27, 2:30 P.M.**

**II. Location: Fiscal Information Agency 102 Conference Room**

**III. Reporting Matters:**

**1: In response to the amendment of the 2020 "Government Open Data Rewarding Event" of the National Development Council (hereinafter referred to as "NDC"), each department and institution of the Ministry of Finance (hereinafter referred to as "MOF") shall cooperate and conduct related affairs. Please be informed and give instructions.**

Resolution:

(1) Duly noted.

(2) Each department and institution of the MOF shall carry out tests of gold mark on all datasets after updating and revising them. FIA shall give tests from May 2020.

(3) National Treasury Administration, Customs Administration, Land Bank of Taiwan, FIA and other institutions that conduct Open API and OAS shall accomplish the development and detection as division of work on schedule before late April 2020. FIA shall give spot tests from May 2020.

(4) After the implementation content of platinum quality certification is announced, FIA shall inform each department and institution of the MOF to cooperate and give spot tests from May 2020.

(5) Committees are asked to report the suggestion regarding platinum quality certification as a contest bonus item to NDC as they have more opportunities to participate in NDC meetings.

**2: Regarding the 2020 Government Open Data New Promotion Measure of the NDC, please be informed and give instructions.**

Resolution:

(1) Duly noted.

(2) Each department and institution of the MOF shall give advice to NDC after using the "I Want More Information" function on government data standards platform in the first quarter of 2020 in order to improve the system. If the information cannot be made public, please reply in the function planning option, and give specific reasons why it cannot be provided.

(3) Each department and institution of the MOF shall ask the committees for permission to make public their contact information in the future.
