

## Attached table

Path	The MOF E-Invoice Platform website ( hereinafter referred to as “Platform” )	Uniform Invoice Redemption APP ( hereinafter referred to as “redemption APP” )
Connect Carriers to Mobile Barcode	Log in to the Platform with your phone number and verification code and click on the Binding Setting. Bind the various carriers to the mobile barcode.	Search and download the APP and log in with your phone number and verification code. Choose “Connect Carrier to Account” → “Add Carrier” to connect your different types of carriers to your mobile barcode.
Setup of Account to Claim the Awards	Choose “Mobile Barcode Area” → “Remittance Account Setting.” Click on the “Enable automatic remittance of winnings” and fill in award-winning information.	Choose “System Setting” → “Personal Data Setting” → “Redeem Information” to set up the information.
How to Claim the Prize	Before the 10th of the month following the unified invoice drawing day, the bonus will be directly remitted to the financial account.	Before the expiration of the unified invoice redemption period for each issue, click the “I want to claim the award” function on the APP.
