

The MOF supervises state-owned enterprises under the MOF handling subsidies (donations) to non-government organizations and individuals in 2025.

1. According to article 6 and subparagraph 2, paragraph 1, article 7 of the Guidelines for Handling Subsidy (Donation) Budgets to Non-Government Organizations and Individuals by Central Government Agencies, competent authorities should formulate regulations for assessment of its subordinate agencies in handling subsidy (donation) business to non-government organizations and individuals, and publish the assessment results within 3 months after the end of the year.
2. In order to supervise the handling of subsidies (donations) to non-government organizations and individuals by state-owned enterprises under the MOF, and improve the efficiency of subsidy (donation) business, the MOF formulated “The MOF Guidelines for Supervision of State-Owned Enterprises under the MOF Handling Subsidies (Donations) to Non-Government Organizations and Individuals,” and requires state-owned enterprises under the MOF to strengthen their internal control systems. The MOF may select any of its state-owned enterprises for inspection of subsidy (donation) business when handling the inspection of the annual final account.
3. In 2025, state-owned enterprises under the MOF handled 53 items of subsidy (donation) to non-government organizations and individuals, with a total of NT\$346,614,627. The details are as follows:
